

SUPPORT PUBLIC MEDIA: JOIN THE PROTECT MY PUBLIC MEDIA COALITION

Public media connects people, communities, and ideas across America. More than 1,500 public media stations provide **unpaywalled access** to:

- Local, national and international news,
- Research-proven educational content and in-person learning opportunities for children and families,
- Lifesaving emergency alerts and warnings,
- Workforce training and professional certifications for students and job seekers,
- Resources for educators, and
- Rich cultural experiences that cannot be found elsewhere.

THIS INDISPENSABLE SERVICE DEPENDS ON THE SUPPORT OF CONGRESS AND FEDERAL FUNDING.

In today's challenging fiscal climate, it takes all of us speaking with a **unified voice** to make the case to Congress for continued investments in public media.
